The New Wife

After Vashti was gone King Achashverosh needed a new wife. He looked at all the girls in Shushun. It took him a while to decide but the one girl he liked the most was Esther. Queen Esther we should say.

Esthers Uncle Mordechai over hears to gaurds plotting a plan to kill Achashverous. Mordechai quickly tells Achashverous and saves the kings life.

Everyone bow down to me.
No I will never bowdown to you Haman. I dont care what you do but I will not bow down to you.

Now Haman plans to kill all the Jews as Mordechai refuses to kill all the Jews. Mordechai still refuses to bow down to Haman. Mordechai now hates Haman even more.

Mordechai now tells Esther that Haman is now going to kill all the Jews. Esther has to plead to Achashverosh so that all the Jews wont be killed. If the Jews are killed Esthers people will all be gone.

Esther now prays for three days non stop before going to the king. She needs Haman to stop. When Esther approaches the king the kings golden scepture raises up as Esther enters.

Now Esther invites Haman and Achashveroush to a royal banquet.

That night Achashverous could not sleep and he didnt know why He asked for a book to be read to him in the middle of the night.

The king remembers how mordechai saved his precious life. Then the king orders for haman to lead him round the town on the kings horses. The king is still awake.

Esther invites the king and Haman to a second grand banquet. This one is the second banquet.

At this banquet Esther tells Achashveroush that Haman is planning to kill her people. The Jewish people.

Haman is hanged on the gallows that he made for mordechai. Esther and mordechai use this as a celebration day and to remember the purim story.
